

3.23.20

Dear Saint Patrick School Families,

By now most of you have heard about Governor Northam's Executive Order 53 which, among other things, announced the closure of all K-12 in-person instruction for the remainder of the academic year.

I know that, like me, you have many questions about the implications of this announcement. As we work to address those questions in the coming days, know that we will continue working with your children in our e-Learning model. Our primary goals remain sustaining our Catholic learning community and the continuity of learning for our students/your children.

I thank you for your prayers and all that you continue to do to help us navigate this unique moment. You have my commitment that I will be in regular communication with you as our plans for the last trimester are adjusted in light of this new announcement.

God Bless,

Sally A. Nicholson, Ed.D.
Principal
