FAITH FORMATION

As a Roman Catholic school, we firmly believe in sharing the Catholic faith, traditions, and vision of our Church by providing our students with a Christ-centered, integrated curriculum. In addition to daily religious education classes for all grades, we provide a variety of school and parish activities that enable students to learn the Good News of Jesus Christ and grow in their personal relationship with the Lord. From special service projects, helping the poor in our area, or standing up for life at the annual March for Life in DC, we are dedicated to the notion that what we learn in our religion classes needs to be lived in our community.
